On February 19, 2004, United Water Idaho, Inc. (United Water; Company) and Barbara V. Child dba Terra Grande filed a Joint Application with the Idaho Public Utilities Commission (Commission) for an Order approving the purchase by United Water of water service properties owned by Barbara V. Child. On June 4, 2004, United Water filed a Motion to Close the docket in Case No. UWI-W-04-2. United Water states that the Company has been informed that Ms. Child intends to continue to operate and manage the Terra Grande water system.

**COMMISSION FINDINGS**

The Commission has reviewed the filings of record in Case No. UWI-W-04-2 including the underlying Purchase/Sale Agreement and United Water's Motion to Close. It previously appearing to the Commission that there no longer existed a willing Seller and Purchaser of the Terra Grande Water system, the Commission in Case No. TGW-W-04-1 initiated an investigation, issued Certificate of Public Convenience and Necessity No. 429 to Barbara V. Child dba Terra Grande Water and undertook regulation of Terra Grande Water.

The Commission is informed by Commission Staff that Terra Grande has no objection to closing the docket in Case No. UWI-W-04-2. Finding the parties in agreement, the Commission finds it reasonable to terminate proceedings and close the docket in Case No. UWI-W-04-2.
